Security Council Committee established pursuant to resolution 1343 (2001) concerning Liberia

Note verbale dated 10 August 2001 from the Permanent Mission of Canada to the United Nations addressed to the Chairman of the Committee

The Permanent Mission of Canada to the United Nations presents its compliments to the Chairman of the Security Council Committee established pursuant to resolution 1343 (2001) concerning Liberia. The Security Council, in paragraph 18 of resolution 1343 (2001), requested States to report to the Committee on the steps they have taken with a view to implementing the measures called for in paragraphs 5 to 7 of the resolution. Canada wishes to inform the Committee that it has implemented those measures as follows:

On 7 March 2001, Canada took administrative action to prevent exports from Canada of military equipment to Liberia. Subsequently, Canada promulgated the *United Nations Liberia Regulations*. Paragraphs 4 through 7 of those regulations prohibit any person in Canada and any Canadian outside Canada from providing military equipment or related technical assistance to Liberia. The regulations came into force on 12 July 2001.

The prohibition of the import of rough diamonds from Liberia has been implemented through paragraph 8 of the *United Nations Liberia Regulations*.

The restriction on travel imposed on those listed in the United Nations press release of 4 June 2001 was implemented through paragraphs 9 to 11 of the *United Nations Liberia Regulations*.
